## ***Description of Services***

The Fire Department provides fire and emergency protection to all Boston residents and to the hundreds of thousands of people who work, shop, and visit in the City. To provide this protection, the Fire Department deploys 33 engine companies, 20 ladder companies, one fire brigade, two tower ladder companies, two rescue companies, one marine unit (comprised of two vessels), a Safety Division, a Hazardous Materials Unit, a Tunnel Rescue Unit, a Confined Space Response Unit, a Structural Collapse Unit, and a Special Unit that doubles as a lighting plant and backup Hazardous Materials Unit through a dispatching system maintained at the Fire Alarm Communications Center. The City's mutual aid agreement with surrounding areas continues to benefit the City and the involved communities. The Fire Prevention Program provides public education and inspections of residential and commercial properties, investigates suspected arson fires, and issues permits and licenses.
